Hamilton Princess Hotel & Beach Club Bermuda Hosts exhibition by Ewan David Eason to commemorate the 35th America's Cup

Today marks the start of the America's Cup 2017.

TAG Fine Arts, in association with the Hamilton Princess Hotel & Beach Club, has commissioned a series of new artworks by Ewan David Eason, which are now on show at the hotel in Hamilton. Six cities - each representing one of the competing teams - will be mapped in brushed gold, with the home base of each team at the epicentre. Eason has meticulously re-created maps of Auckland, Lorient, Osaka, Portsmouth, San Francisco and Stockholm, alongside the host nation, Bermuda. These extraordinary works bring a new perspective to the traditions of cartography.

The Hamilton Princess Hotel & Beach Club is the official hotel of the 35th Americas Cup. "The hotel is already well known for its art collection," says owner Alexander Green "and we are delighted to show seven new works by Ewan David Eason that celebrate the international spirit of this unique event."

Eason's recent work has been inspired by the intricacies of mapping, and displayed in some of the UK's most prestigious galleries, including the Royal Academy, Christies and the Barbican.
