Book Signing | Saturday 23 June | 1 – 3pm

Please join us for tea and cake on Saturday 23rd June, 1 - 3pm where Rob will be signing copies of his newly released book, 'I Thought About It In My Head, And I Felt It In My Heart But I Made it With My Hands' at the Guild. Bright and engaging, this beautiful monograph is the first book of his collected artwork. Bringing together work from every facet of Ryan's career to date, and through an accompanying text written specially for the book, it explores the themes, styles, palettes, and preoccupations present throughout.

The Art Workers' Guild, which Rob is a brother of, is a society of artists, craftsmen and designers with a common interest in the interaction, development and distribution of creative skills. Housed in a Georgian building at 6 Queen Square, the Guild provides a venue for arts organisations.
